During this election year we are adding the **We Will Take It Back 2010** Brick of the Month Club. Every brick purchased helps build the foundation needed to help take our country back and support our local candidates. You can join the "**We Will Take It Back in 2010**" brick of the month club for just \$15 a month. For your generosity we are going to give you something in return that you can display. Each brick will receive a Calvert County Republican opinion button. The first will be "**We Will Take It Back in 2010**" button. You are under no obligation to buy a brick every month. However if you continue you will receive a different opinion button based on our opposition to the current fanatical endeavor being pushed onto the country by the Democratic Party. Purchase all ten **We Will Take It Back 2010** bricks and you will get a comp ticket to the **We Will Take It Back 2010** Banquet in August.

In appreciation of your joining any one of our clubs we will send you a Calvert County Republican Lapel pin

Your generosity is most appreciated and will go a long way in the taking back of our country. If you cannot join at this time a donation of any amount would also be appreciated. Donations can be made by check to CCRCC or from our website, CalvertGOP.net.
