Vote to Re-Elect **SHERIFF MIKE EVANS**

I have been your Sheriff for the past seven plus years and am grateful for your continued support. Prior to serving as your Sheriff, I served in the United States Army and was a Maryland State Trooper for 17 years. I am very excited about continuing my service to the citizens of Calvert County and I will continue to ensure the Sheriff's Office provides the most effective and efficient law enforcement services to the community. I have made great strides in developing a sound and responsive agency and in providing positive leadership for the men and women of the Sheriff's Office. My accomplishments these past seven plus years are far too many to list, however here is a small sampling of what has been accomplished thus far:

- ✓ Obtained over 2 million dollars in grant funding for various law enforcement equipment.
- ✓ Obtained a new state-of-the-art Mobile Command Vehicle to be used during natural and man-made disasters, large special events, hostage negotiations and many other activities.
- ✓ Outfitted nearly every patrol vehicle with computers, and digital video recorders.
- ✓ Increased staffing in our schools for our children's continued safety and mentoring of youth.
- ✓ Created new patrols in the county for more efficient deployment of personnel.
- ✓ More deputies on patrol at all times as a result of change in shift hours.
- ✓ Transitioned patrol vehicles' color scheme to the more recognizable black and white cars, which is a force multiplier.
- ✓ Participates in multi-county task force operations as a member of the Southern Maryland Information Center and also through our state-wide memberships in the High Intensity Drug Trafficking Area Task Force.
- ✓ Continues to provide stability in our communities and businesses through frequent patrol checks.

**I will
continue to demand excellence
from my staff and provide
the citizens with the
best law
enforcement
possible.**
